AL WAFRAH STATIONERY L.L.C

Dear Anish,

This is to put on record that me and my referrals have always experienced great customer service at all the service centers of Saeedi Pro. Be it Tire fixing, Oil & Filter change or a Battery replacement we have received honest advice and very reasonable pricing from your team.

Hats off to you and the team at Al Saeedi for setting such high standards and being able to maintain them. I would have absolutely no hesitation in recommending your company's products/services to my network.

All the best for continued success,

Rajesh Chhatlani
