Mr. Anish Malattri
Director
Al Saeedi Group
Dubai, UAE

Dear Anish,

I want to place on record the excellent service quality that I experienced at Saeedi Pro, Qusais, Dubai. Upon your recommendation, I visited the centre to change the tyres of my vehicle on February 4, 2017.

Prior to my visit, I received calls from Mr. Rishad from Saeedi Pro, Qusais, to confirm my visit. He recommended a time slot, wherein my waiting period at the outlet would be minimal.

I went by Mr. Rishad's recommendation of the time to visit the centre. That helped. I was in and out of the centre in under 30 minutes.

I am pleased to say that you have just added another happy customer to your – what I presume is an ever growing – list.

A special shout out to Mr. Rishad.

I will have no hesitation in recommending Saeedi Pro to all my contacts. I take this opportunity to wish you and everyone at Al Saeedi Group the very best.

Thanks and regards,

Pradeep Kumar
